

Licensed Agent Onboarding Playbook

Professional launch sequence for newly licensed agents. Follow in order and execute daily.

Step 1 — Back Office Access + Welcome Instructions

- Open your Welcome Email and save your required links.
- Start here: <https://innercirclelink.com/start>
- Sign in and follow the guided onboarding steps shown in the system.
- If prompted, complete contracting before continuing.
- Confirm your back office access is active before moving to Step 2.

Step 2 — Contracting

- Part A — Pinnacle Group (P.Group) / Business Partners (Mutual of Omaha, Transamerica, Foresters, American National): <https://surelc.surancebay.com/producer/?gald=190>
- Part B — InvestaLink (F&G; + National Life Group): <https://surelc.surancebay.com/sbweb/login.jsp?branch=InvestaLink&branchEditable:=off&branchRequired:=on&branchVisible:=on&gald:=168&gaName:=AIP%20Marketing%20Alliance>
- Part C — Video tutorial on the contracting process: <https://www.loom.com/share/79354f8de2334697ba53cc5b0ff80c86?sid=b88fafc3-96a0-4d6a-9918-f396f0047603>
- National Life Group only: after completing the SureLC step, look out for a follow-up email within 48 hours (1–2 business days) to complete an additional required form.

Step 3 — E&O; Activated

- Purchase and activate E&O; before production: <https://buy.stripe.com/dRm6oH25qe7521Cg4b3ZK0m>
- E&O; includes a 90-day free period (as applicable) before paid billing starts.
- Confirm active coverage details are saved in your records.

Step 4 — Core Product Training Completed

- Complete your core product training sequence on each carrier platform.

- Training resources are available directly on carrier websites (for example: National Life Group, F&G;, Mutual of Omaha).
- Be prepared to explain product basics clearly and confidently.

Step 5 — CRM + Calendar + Dialer Setup

- Open setup video: https://youtu.be/u3_fIRH8c0w
- Complete CRM, calendar, and dialer setup before active production.
- Track all notes and follow-up actions in CRM the same day.

Step 6 — Script Roleplay Certification

- Complete script roleplay certification with your trainer/upline.
- Apply coaching feedback until script delivery is consistent.

Step 7 — Required YouTube Task

- Watch "Whatever It Takes": <https://youtu.be/SVvU9SvCH9o?si=nzqjgEa7DfGQlxmX>
- Leave a comment on the video as part of onboarding completion.

Step 8 — Automated Milestones (System Tracked)

- First Policy Submitted (auto-updates from policy submissions).
- First Policy Placed (auto-updates when first policy is approved).
- These milestones are automated and do not require manual marking.

Daily Execution Standards

- Work new leads daily.
- Follow up warm leads daily.
- Use script framework and coach feedback daily.
- Keep CRM notes clean and updated same day.

Quality Standard

-
- No lead without notes
 - No same-day activity left unlogged
 - No skipped follow-up without reason

Lead Activation Requirement

- Licensed agents start receiving leads after full onboarding is complete.
- Licensed agents must complete their first hour of community service before lead activation.

Lead Distribution and Program Pathways

- Full Sponsorship Path (policy portion completed): 60 fresh leads in total + full JumpStart access and support.
- If you are consistently contacting and following up with leads but have not closed yet, the company may drip additional leads to support your success.
- Alternate Path (policy declined / not accepted / not suitable): 20 older leads + drip-based delivery + continued onboarding support.

Upline Support (Use the Help Button)

- Use Help / Messages in back office to contact your upline directly.
- Response SLA: 1 business day (Monday–Friday).
- Weekends are excluded from SLA timing.
- If no upline response by end of next business day, the issue is escalated internally to support.
